GUIDELINES

SUPERVISION

The Club employs 1 full-time and 10 part-time staff members to supervise and direct programs for your children. We attempt to maintain a ratio not to exceed 1:20 at all times. However, we can not provide supervision beyond our immediate area in front or in back of our building. Please provide your child with some guidance/rules in terms of where they are allowed to go outside our facility. We suggest that when your child is at the Club that he/she stays at the Club. All outdoor play and supervision will be restricted to the rear of the property. No one will be allowed to play out front of the Club.

Please help us enforce this rule!!!
