

March 2009

Dear Friend of the Club:

Each child that walks through the door of the Boys & Girls Club of Eden is unique. Some may have a loving and stable home life while others may not. At the Boys & Girls Club, it is our goal to give each child a real sense of hope and opportunity, regardless of the circumstances they are placed in. We work with care to bring out the best in every child.

As in past years, we are making a special effort to fundraise among individuals and families in our community, because we know it all starts here. ***It Just Takes One...The 2009 Annual Campaign for the Boys & Girls Club of Eden*** has a fundraising goal of \$40,000. We know that even one caring adult can make a lifelong impact on a child. Through your support, you can be that one caring adult.

We purposely keep membership dues low so that all children will have the opportunity to join. You can help continue this opportunity – as the actual cost of services for each child is greater than any potential member could pay.

We ask that you consider a gift to the ***It Just Takes One...Annual Campaign***. Many companies will match employee donations made to non-profit organizations. If you are employed, please take a moment to speak with your employer to see if they will match your contribution. If so, please include that information on the attached coupon.

Remember, It just takes one....You are the difference.

Thank you for considering this request.

Sincerely yours,

Debra M. Popple
